Get What You Order

Union Nurseries absolutely guarantee that their stock is true-to-name, up to grade, full count, and in good condition when delivered. Think what a loss and disappointment it is to find that trees and plants, which you ordered and set out in good faith, later yield only inferior fruit instead of the fine crops that you should legitimately harvest! You need have no fear of Union Nurseries stock—it is all genuine; and is everything that we claim for it.

Certified Stock

When you deal with Union Nurseries, you can be sure of getting high-grade certified stock. Our trees, bushes, ornamental shrubs, and plants are choice varieties, whose hardiness when grown under Canadian conditions has been thoroughly tested. You will not be disappointed in quality, for every plant we send out is absolutely first class in every way.

It will be to your profit to deal with us and gain the benefit of our money-saving price offers and our long experience in producing the kind of nursery stock it pays to plant.
